### STYLE IT TEXTURED WAVE SPRAY

Our haircare line was shaped through first hand experiences in the salon industry using innovative hair care technology and natural actives to deliver high-performance, treatment-based products – all while staying true to our deepest belief that “healthy hair is beautiful hair”. We worked with the most forward thinking scientists and artisans to develop a best-in-class salon collection of products rigorously testing in top salons by top stylists and tweaked to perfection.

#### HOW TO USE

Use on wet hair prior to blow-drying to add fullness with a soft, smooth finish. Apply to dry hair prior to curling or straightening for a smooth, lifted finish with plenty of bounce. For scrunching, apply to dry hair in sections and compact curls as product dries.

#### FEATURES

A weightless texture spray that creates that carefree, natural-wave look. Infused with proteins that provide a workable-lasting hold. Formulated with smart technologies that:

- Provide fast-drying time.
- Compatible with heat.
- Creates natural-waves.
